XPS
expandable patient surface
XPS is there when you need it

XPS provides an expanded patient surface area that can be easily retrofitted to compatible cots. XPS is adjustable with seven locking positions and includes a wider mattress that reduces transfer gap and is designed with your patient’s comfort in mind. XPS helps address the growing obesity trend and supports a variety of patients and environments.

Cots with XPS meet current tip stability standards for both patient and provider safety. Engineered for durability and cleanability, with a 6061-T6 aluminum core and over-mold design.

1. Certified to IEC 60601-1 for Power-PRO XT and Power-PRO TL. BS-EN 1789 for Power-PRO XT, Power-PRO TL and Performance-PRO XT.

Standard features

- Increased patient surface area
- Adjustability for patients and environments
- Seven locking positions
- Integrated into cot — always there
- Easily retrofitted to existing compatible cots
- Enhanced safety built into release handles
- Durable aluminum over-mold design
- Mattress design reduces transfer gap
- Enhanced patient comfort
- Compliant with tip stability and dynamic crash certifications

Seven locking positions

Between 10 and 52 degrees

Increased surface area

From 23 to 33 inches

Option or retrofit XPS compatible cots

Power-PRO XT model 6500/6506
Power-PRO TL model 6550
Performance-PRO XT model 6085/6086

Safety
Compliant with tip stability and dynamic crash certifications

Durability
Engineered for durability with an aluminum core

Always there
Integrated into cot for accessibility on every call

Release handles
Enhanced safety built into release handles

Reduced transfer gap
Mattress design reduces transfer gap

XPS — expandable to fit a wide variety of patients and environments.

**Technical Support**

Our Technical Support comprises a team of professionals available to help with your XPS needs. Contact via phone at 1 800 STRYKER or email at medicaltechnicalsupport@stryker.com

**Stryker’s ProCare Services**

Every day, you count on your medical equipment to perform at its best. With ProCare Services, our people help to ensure your equipment is ready to perform when it’s needed and make it easier to get the most from your investment. When an issue arises, we promise that we’ll solve it — performing repairs quickly and correctly.

ProCare isn’t just a service program. It’s a partnership you can count on to give you one less thing to worry about, and one more reason to feel confident you’re doing all you can for your clinicians, staff and patients.

All ProCare agreements provide:
- Stryker-authorized service representative
- Stryker-direct factory parts
- Two-hour callback response time
- Fixed service costs up front
- Increased uptime
- 24-72 hour equipment turnaround time*

*Based on the provisions of the Service Agreement and the location of the product.

**Flex Financial Program**

Our financial programs provide a range of smart alternatives designed to fit your organization’s needs. We offer flexibility beyond a cash purchase with payment structures that can be customized to meet budgetary needs and help to build long-term financial stability. Contact your account manager for more information.
